RBS MEDIA RELATIONS DIRECTOR, REBECCA NELSON, JOINS CAMARCO AS A PARTNER

“We’re delighted that Rebecca is joining our fast growing team of like-minded, highly experienced professionals. It is now a year since we launched the business and we’re hugely grateful to our clients who, as they have grown in number, have enabled us to invest in some of the most talented people in our industry. Having held senior communications roles at Citi, Goldman Sachs, Barclays, BlackRock and RBS, Rebecca will bring over 20 years of experience to our growing financial services practice.

Other recent joiners to the Camarco team are Jennifer Renwick, formerly with Brunswick and Citi, and Ginny Pulbrook, a co-founder of Citigate who heads our industrials and support services practice. We look forward to continuing to develop this highly talented team to protect and promote our clients’ reputations and help them achieve their objectives.”
